

ambience is everything™

# CONTENTS

Creating the right ambience is key to the success of any restaurant, hotel or bar. Lumea's distinctive range of products and designs will help you create a truly unique atmosphere both inside and outside.

Lumea manufacture liquid wax candles, lamps, lamp oil, electric lighting, wax candles and chafing fuels and is the only source you need for all your tabletop lighting and food heating needs.

Ambience is everything!

Buy, request a sample or call Lumea for more information.

# HASSLE-FREE CANDLELIGHT

Choose Lumea's Liquid Wax Candles and lamps for the perfect ambient lighting in your restaurant, hotel, bar or spa and you will notice the difference immediately! Lumea Liquid Wax Candles are quick and easy to use saving you time and money.

**SAFE** Unlike traditional wax candles, the flame on a Lumea Liquid Wax Candle will extinguish immediately if knocked over.

**LONG-BURNING** Liquid Wax Candles last up to 70 hours depending on the size you select, that's almost two weeks of evening service from a single candle. This means that your staff can focus on more important tasks such as providing that all important customer service.

**NO MESS** Liquid Wax Candles are specially designed to not smoke or produce a wax residue as they burn - there are no soot marks to clear off walls or furnishings and no mess to clean off surfaces.

**ECONOMICAL** The long burning and no mess benefits of Lumea Liquid Wax Candles mean that you save money! Lumea Liquid Wax Candles are competitively priced to provide an affordable, effective alternative to any good quality wax candle.

Choose from Lumea's extensive range of candle lamp designs and order the appropriate size of Lumea Liquid Wax Candle. Also available is NEW Lumea Cocofire<sup>™</sup>, made from highly refined coconut oil and other vegetable matter; it is the environmentally friendly alternative fuel source.

Lumea Liquid Wax Candles are not refillable. Please do not attempt to disassemble or refill the plastic bottles.

LIQUID WAX

# CANDLE LAMPS

Lumea's unique Liquid Wax Candle Lamps are an international bestseller for beautiful reliable candlelight.

Designed to use long burning, smoke and odour-free Lumea Liquid Wax Candles and Electric Flicker Candles, they eliminate all the problems associated with traditional wax candles yet offer all the ambience of a real candle.

Lumea has a range of different candle lamp styles so there is sure to be something to suit your venue and help create the ambience you want.

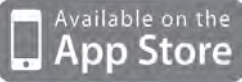

To try our lamps in your own venue and request samples, just download our Lumea Ambi-App for your mobile.

Visit [lumea.co.uk](http://lumea.co.uk) to see videos of all our products, watch customer testimonials and see our latest offers.

If you need any further information please contact the Lumea team who will be happy to help with all your lighting needs.

The Sola lamp is made out of unbreakable flame-retardant acrylic, the Sola can be used safely both indoors and outdoors.

The etched acrylic shade diffuses candlelight beautifully to give a soft glow, while the lamp is completed by the polished chrome effect metal base.

# ELECTRIC CANDLES

All of Lumea's Electric products realistically twinkle to simulate candlelight without using a real flame; easy to operate they are perfect for use in locations where a real flame is unsuitable.

Lumea's Battery Pillar candles have a smart timer function that allow the candles to automatically turn on everyday at a certain time and then also turn off after five hours.

150 x 85 mm

**4" Battery Pillar**  
74344  
102 x 83 mm

 **BATTERY PILLAR CANDLES**  
Moulded out of real wax with faux wick  
Each size takes 2 x C batteries (not included) & last up to 1,000 hours

Lumea LED Flicker Candles can be recharged and reused over and again. Each candle has a lifetime of up to 6,000 hours.

The LED ensures bright and consistent illumination throughout the lifetime of the candle and inductive technology makes the candles easy to charge.

Use the remote control to switch all of the Flicker Candles on or off, adjust the brightness or select either a static light or flickering candle light effect.

Lumea Flicker Candles are designed to be used in many of Lumea's range of Candle Lamps - look out for the  icon to see which lamps are suitable.

Alternatively, Lumea offer a frosted glass Flicker holder available in either warm red or bright white which are designed specifically for the Lumea LED Flicker Candles.

# LAMP OIL

# HOT. SAFE. RELIABLE.

When the stakes are high and the pressure is on, you need a chafing fuel you can rely on.

Lumea Chafing Fuels deliver safe, high heat, time after time, so food is kept within the temperature safety zone and your customers go home satisfied.

The Lumea Chafing Fuel range has been carefully designed to address all food and beverage heating needs. Choose from the visible flame, spill-proof wick liquid fuel with six-hour + burn time or the super-hot gel fuel with up to three-hour burn time and 4kg refill bucket.

Lumea Chafing Fuel can be used in most food and beverage heating units including beverage urns, soup tureens and chafing dishes.
