HASSLE-FREE CANDLELIGHT

Choose Lumea's Liquid Wax Candles and lamps for the perfect ambient lighting in your restaurant, hotel, bar or spa and you will notice the difference immediately! Lumea Liquid Wax Candles are quick and easy to use saving you time and money.

SAFE Unlike traditional wax candles, the flame on a Lumea Liquid Wax Candle will extinguish immediately if knocked over.

LONG-BURNING Liquid Wax Candles last up to 70 hours depending on the size you select, that's almost two weeks of evening service from a single candle. This means that your staff can focus on more important tasks such as providing that all important customer service.

NO MESS Liquid Wax Candles are specially designed to not smoke or produce a wax residue as they burn - there are no soot marks to clear off walls or furnishings and no mess to clean off surfaces.

ECONOMICAL The long burning and no mess benefits of Lumea Liquid Wax Candles mean that you save money! Lumea Liquid Wax Candles are competitively priced to provide an affordable, effective alternative to any good quality wax candle.

Choose from Lumea's extensive range of candle lamp designs and order the appropriate size of Lumea Liquid Wax Candle:

CODE

ELECTRIC CANDLES

Lumea's Electric range includes rechargeable LED flicker candles and battery operated long-burning pillar candles moulded out of real wax that last up to an amazing 1,000 hours!

All of Lumea's Electric products realistically simulate the twinkling atmosphere of candlelight without using a real flame. Lumea's flameless Electric Candles are easy to operate and perfect for use in locations where a real flame is unsuitable.

Lumea's Battery Pillar candles have a timer function that allow the candles to automatically turn on everyday at a certain time & turn off after five hours.

Lumea Flicker Candles can be recharged and reused over and over again. Each candle has a lifetime of up to 6,000 hours!

The LED ensures bright and consistent illumination throughout the lifetime of the candle and inductive technology makes the candles easy to charge. Use the remote control to switch all the Flicker Candles on and off, adjust the brightness and select either static or flickering light effect. Available in either 'warm white' or 'candle light'.

Lumea Flicker Candles are designed to be used in many of Lumea's range of Candle Lamps - look out for the  icon to see which lamps are suitable. Alternatively, the smaller size Ambeo lamp and Flicker Candles are available as a complete package.
