THIS IS LUMEA

Lumea has a selection of tabletop lighting to meet your every need. Supplying the hospitality industry around the world since 2001.

Lumea Liquid Wax offers hassle free candlelight that is quick, clean and easy to use. Lumea Liquid Wax candles are the professional's choice that won't let you down in the middle of service.

Lumea design and produce an extensive range of lamps suitable for all styles of restaurants, from bistro to banqueting.

Lumea lamps are designed to specifically house and protect the Lumea Liquid Wax candle flame, to provide long-lasting table lighting that is safer than a traditional tealight.

See the quick reference guide at the bottom of each page for dimensions, components, and the correct size of Lumea Liquid Wax candle to fit the lamp.

This catalogue showcases our latest range of unique lamps, with product videos available online at www.lumea.co.uk

HASSLE-FREE CANDLELIGHT

Choose Lumea’s Liquid Wax candles and lamps for the perfect ambient lighting in your restaurant, hotel, bar or spa and you will notice the difference immediately! Lumea Liquid Wax candles are quick and easy to use, saving you time, money and mess.

SAFE

Unlike traditional wax candles, the flame on a Lumea Liquid Wax candle will extinguish immediatley if knocked over.

LONG BURNING

Depending on the size of the lamp you select, Lumea Liquid Wax candles last up to 70 hours, that's almost two weeks of evening service. This allows your staff to focus on more important tasks such as looking after customers, not wasting time replacing candles and cleaning up wax spills.

NO MESS

Unlike Pillar Candles and tealights, if knocked over Lumea Liquid Wax candles don't leave wax to be scrapped off holders, tables and carpets.

ECONOMICAL

Lumea Liquid Wax candles are competitviely priced to provide an affordable, effective alternative to any good quality wax candle.

SUSTAINABILTY

Lumea is committed to reducing our its environmental impact using recycled plastic in our Liquid Wax candle bottles and offering customers a recycling service.
Please see our website for more details:- www.lumea.co.uk

Lumea Liquid Wax candles are the real-flame alternative to tealights. They provide a low cost alternative to messy tealights, pillars and tapers which have short burn times and cover surfaces in wax when knocked.

Looking for a natural alternative?
Try Lumea Cocofire, made from highly refined coconut oil and vegetable matter, a natural fuel source.

Lumea Flicker Candles can be recharged and reused over and over again – each candle has a lifetime of approximately 6,000 hours! They use advanced wireless inductive technology for recharging, making them easier to use and more reliable than conventional conductive charging systems.

The LED in a Lumea Flicker Candle ensures very bright and consistent illumination throughout its lifetime.

With a Lumea Candle Lamp surrounding the Flicker Candle the illusion of warm candlelight is complete, without all the problems of a real flame!

Good to know: Up to 2 charging trays can be joined together for recharging.

Lumea LED Flicker Tealights can be used in a selection of Lumea's range of candle holders - look for the  symbol for suitable lamps.

Alternatively, Lumea offer an LED Flicker holder and candle package available to purchase online: www.lumea.co.uk

LED Flicker Candles
Set of 12 candles with remote control,
charging tray & UK power plug

74584 - 12 x LED Flicker Tealights with remote

74251 - Charging Tray

74313 - UK Power Plug

51 x 40 mm (Individual Flicker Tealight)

Flicker instructions found here

Lumea LED Table Lamps bring a warm and elegant ambience to any table setting.

They are charged overnight for 8 hours on an inductive charge tray and operated using a remote control which offers a choice of 16 colours, the level of brightness and a timer function. Each full charge will give 18 hours of light.

Lamps can be turned on/off using a switch on the base and a battery charge level indicator can also be found.

Lamps have a lifetime of up to 500 cycles (900 hours).

The battery and bulb can be replaced when required.

Each set consists of: 4 Table lamps, one charging tray, plug and remote. A maximum of 2 charging trays can be charged with one plug.

Each set consists of: 4 Table lamps, one charging tray, plug and remote. A maximum of 2 charging trays can be charged with one plug.
